Serving the Metropolitan area since 1972, Econo-Courier has successfully delivered millions of packages, envelopes, boxes, pallets and other assorted items.

At Econo-Courier our goal is to provide a reliable, economical and prompt service for delivery of your assets. The continual updating of our technologies, communications and business practices allows us to provide our clients with the most advanced and reliable services available.

Continual training of our staff ensures that all of the systems in place are fully utilized, providing our clients with results that exceed their needs and expectations.

Some of the Services Provided By the Professionals at Econo-Courier are as follows:

COURIER

Rush- Delivered within 3 hours of the phone call (distance allowable)

Exclusive- Picked up within 1/2 hour of order placement and delivered non-stop to the destination.

Same-Day- Picked up and Delivered by the end of the business day, 5pm (orders must be ready before 11am).

TRUCK/LTL

Truck- This service is a sameday delivery (in about 4 hours) of up to 10 pallets. Inside delivery or liftgate service is available and deliveries can be made within 300miles the sameday, or further the following morning.

Exclusive Truck- Similar to the "Standard Truck" service with immediate pick up and direct delivery.

TL

Truck Load- We have expanded our services to meet the largest of your delivery needs. Our fleet of tractor trailers can deliver your material with the same speed and personal handling as our courier services.

LOGISTICS

Logistics- Our strategically placed distribution facility, allows us to take advantage of the highways in the area to provide to you a complete distribution facility. From inbound receipt to outbound specialized services.

M.I.V.

MAN-IN-A-VANsm- (M.I.V.) Customized long or short term leasing of a complete transportation package, including a Professionally Trained Driver, properly equipped vehicle, trained backup and routing assistance. This service allows you to have the control of the vehicle and driver without the headaches associated. Plus the guaranteed pricing allows you to budget your costs.
